SESSION 2026-27

## Nurturing Young Minds for a Better Tomorrow

Modern Eden School is founded by visionary educators, **Mr. Apomoni Jamatia and Mrs. Paradise Iswary Jamatia**, who continue dedicate themselves to the cause of empowering young minds through education. It has been a long dream and aspiration of the founders to establish an educational initiative where quality teaching-learning could be imparted through systematic approach and thus learning becomes joyful experience for the students rather than burdensome. Modern Eden School is driven by its commitment to impart quality education in an affordable manner, ensuring inclusivity and access for all.

Modern Eden School focuses on **holistic development**, combining academics with values, discipline, and life skills.

Our approach ensures that children grow into **confident learners and responsible individuals**.

Our learning philosophy is based on:

- **Strong basics**
- **Moral values**
- **Child-friendly teaching**
- **Individual attention**

Modern Eden School is committed to providing **strong foundational learning** and **early childhood character formation** in a caring and joyful environment. We believe that education should shape both **the mind and the heart**.

WELCOME to Modern Eden School for Session 2026-27

Principal

### Message from Principal's Desk

Respected Parents / Guardians & my dear Students,

Greetings from Modern School!

At Modern Eden School, we are devoted to nurturing young minds for a brighter and better tomorrow. Our mission is to build a strong academic foundation while shaping character, discipline, and moral values in a caring and joyful environment.

We believe true education shapes both the mind and the heart. Through phonics and language development, numeracy with concept clarity, and learning through understanding, we ensure that every child develops confidence and competence from the earliest years.

Character formation is equally central to our vision. We cultivate discipline, respect, positive habits, and integrity—qualities that prepare students not only for examinations, but for life. Our activity-based teaching approach, safe and secure campus with 24x7 CCTV surveillance, organized study halls, well-equipped library periods, and ample indoor and outdoor play spaces create a balanced learning experience.

With dedicated residential facilities for both boys and girls, and a special emphasis on spoken English to strengthen communication skills, we prepare our students to stand confidently in an increasingly competitive society & world.

As we step into the Academic Year 2026–27, let us work together—students, parents, and educators—to make it a year of excellence, growth, and meaningful achievement.

Wishing all our students a successful and rewarding academic year ahead.

- Together, let's build a legacy of excellence for the next generation -

Best Wishes,  
Principal  
Modern Eden School
